

Only Tastes Like Cheating!

Carbolite introduces its new and improved low sugar, low carb frozen dessert with even more creamy taste than ever before. Carbolite's base is made from pure Wisconsin dairies and sweetened with Xylitol, a preferred choice of sugarless sweeteners. Carbolite is only 8 calories per oz, fat free, and contains only 2g sugars. Further, Carbolite contains 4 active yogurt cultures which help promote a healthy digestive system. With about 1/3 the calories and sugar as other no sugar brands, it's no wonder Carbolite has become America's #1 choice in no-sugar added frozen desserts.
